TO ALL ANC WOMEN'S LEAGUE REGIONS

Dear Comrades

REVOLUTIONARY GREETINGS!

This is to confirm the decision of the delegates at the launch of the ANC Women's League to have regional marches on the 25th August against the violence in Natal and other provinces. The theme of the march is "DE KLERK MUST ACT NOW TO STOP VIOLENCE". This march should bring the broadest possible spectrum of women. The main march will be in Natal with the leadership of the League. members of the special committee on Natal and invitees marching there.

The memorandum on the march will be sent to all regions before the protest demonstration. The region should choose its own route and the government place where the memorandum would be handed e.g. police station, and mayors. We would like to synchronise the handing over of the memorandum at 14.00 hours in all regions if possible.

Please invite all women's organisations in your areas to take part. Regions should seek permission for the march and make this a very solemn occasion.

FOR PEACE AND JUSTICE
