Dear Mr. Vollebaek,

Please find enclosed a corrected version of our Interim Financial Report for the period October 1, 1989 to March 31, 1990. It replaces the copy sent to you recently, which unfortunately gave the Annual Allowance, instead of Expenditure, as being for this period. Expenditure on salaries have also been corrected.

Figures given for Annual Allowance represent the initial budget in the Project Proposal, not the actual sum available. The total for grants awarded by The Ford Foundation and the Swedish International Development Agency amount to £78,986 per annum. Details of any adjustments made as a result will be provided in the annual financial report which will be sent to you by Mrs Kochanowska, Administrative Secretary of the Institute.

With apologies for any confusion these errors may have caused.

Yours sincerely

Dorothy Williams

Mr. Knut Vollebaek
State Secretary

April 30, 1990.

Dear State Secretary,

Professor Albie Sachs has asked me to send you the enclosed report and financial statement on the work of the South Africa Constitution Studies Centre for the first six months. He has just left for a meeting in Lusaka and from there he hopes to go to Cape Town. He will be away for about a month. While the Centre will keep its base in London he hopes to do much of his work in South Africa.

Albie has asked me to let you know that he is very keen to keep the idea of a Nordic seminar alive. With things moving so rapidly now it is difficult to plan ahead, but one possibility would be late October.

Many thanks for the financial support for the continuing work of the Centre, which will become increasingly important.

With warm good wishes

Yours sincerely

Dorothy Williams.
