## SOUTH AFRICAN LABOUR BULLETIN

Volume 21 Number 3 June 1997

Focus on Lambia

## Build your savings through a socially responsible investment portfolio

If you want to see your money grow and beat inflation, use the savings scheme of the unions:

the Community Growth Fund and Community Income Fund. These unit trusts only invest in union-approved, socially responsible companies.

Your savings or your retirement fund can be invested in a way that:

- promotes good industrial relations
- supports suitable working conditions
- encourages worker participation in decision-making
- focuses on community development

For more information contact Lindi Moabi at Syfrets on (011) 480 3745

or write to the Community Growth Management Company at P.O. Box 4815, Cape Town, 8000
