Dear Mohamed,

William had some problems with the visa, but now everything has been arranged. The Centre for Aliens Affairs of the Ministry of the Interior has sent the visa to the Finnish Embassy in Lusaka. Would you kindly inform William that he can fetch his visa in Embassy. The departure from Lusaka is on Monday, September 10 and arrival in Helsinki on Tuesday at 17.15. I'll go to the Airport to meet William. We are waiting for him.

Thank you again for your help!

Yours

Satu Lehtonen
