Dear Cde Polar,

RE: AIL Registration and Insurance

The Datsun has been sold to Barat. According to the records you are a member of the Auto Mobile Aestctattthm what I am hit clear about is whether what really becomes registered is the person or the car. .

I intend getting the new car under AA too and also that the insurance of the Pulsar be passed over to the new car. How do you and go about this part of it.

The alternative ofcoursd may be that you write a letter to Zimnat can&gling the insurance policy stating that you have since sold the car to Mr. Kara and that you wish that you gbe refunded whatever balance is available.

On the other hand it would be more advisable that we replace the Pulsar with the new car so that we do not lose the bedefits of Non - claim.

Please advise and communicate as soon as possible if you feel the policy has to be cancelled please write a formal letter to that effect as soon as possible.

7 I hope to see you soon.

Your Brother and Comrade.
