SOMAFCO.

27th NOVEMBER 1983.

Dear Comrade Director,

I would like to remind you that I was sent to Mazimbu by the Office of the Secretary General in October 1979 to serve as Catering Officer for the school. As time went on with the Community growing rapidly I found myself catering for the Collage, Primary, Nursery, and workers kitchens.

I would like + you Comrade Tikly to advise me how to co ordinate with the treasury as changes of vegetables suppliers are being done without my consultation.

In the Year United Action !!
