Dear Mr Sisulu

1996 IN REVIEW

Enclosed herewith is a copy of the University's review of 1996.

The review reflects the commitment of the University of Pretoria to increase its contribution to training, research and community service, and to make an even greater contribution to the welfare of the country and its inhabitants. The objectives that are systematically pursued are relevance, quality and increased effectiveness and efficiency in all the divisions of the University.

Because the University declared 1996 to be *Education Year*, student development is given particular prominence in this review.

I trust that you will find much of interest in the review.

Yours sincerely

Prof Johan van Zyl
VICE-CHANCELLOR AND PRINCIPAL
