Dear Edith.

At the meeting or the East Africnn Logistics Comqtttoo held on Saturday 4th. April. it was agreed that a member of the Last Africun M0dioal Committee should be reproaonted on that Committoo.

I was accordingly alkod to write and request that you consider sending a :Opronontatigo to future meetings. These Are hold Iortnightly, generally late baturday afternoons, at Maltmbu, and throo other rapttaentativen from Dar es Saltam attend.

It is felt that many aspects relating to medical supplies.

logically fall under the category of Logiatios. It would thorotoro ho helpful if yau had someone at those maotings who could apouk with tutho ority on matters relating to the Midtcal Sootion.
