Luanda, the 22nd of October of 1988.

TO the: COMRADE PRESIDENT OF THE ANC

LUSAKA ~ ZAMBIA

MESSAGE

On the 11th of October 1988,

international organisations affiliated

to the World Peace Council decided to organise solidarity actions
in support of South African political prisoners.

The Angolan League of Friendship and Solidarity with the Peoples
(LAASP) interpreting the feeling of the majority of its associates,
and of the Angolan people have closely and with great concern, been
following the evolution of the situation in South Africa, governed
by the Pretoria racist regime.

The Organisation which Your Excellency expertly leads
has

scored

successes which have been highly honoured by the international
community which recognises that the greatest good that can be
granted to a human being is his liberty and the right of equality
to any other man independent
of his political and cultural beliefs
and his skin colour in particular.

We once more come to identify ourselves with your just cause led
by the vanguard of the South African people ~ the ANC.

Comrade President,

We support your struggle because we are convinced that your
victory will constitute a great contribution for peace in Southern
Africa

and not only that, but also because it is indispensable
among all the people of the world as it
does not recognise any
frontiers.

HIGHEST REGARDS,

DOMINGOS COELHO DA CRUZ

CHAIRMAN OF LAASP
