Dear Cedric

I made an arrangement with Toine Eggenhuizen this morning. On wednesday evening 10 May I am staying at the Rosebank hotel. On Tuesday morning at 8, Toine will pick me up from the hotel and take me to the ANC headquaters in Joey. I have never been there, and I would very much like to visit it. We hope I will meet you there and you can take me to the conference center.

There has been a change in the CDA delegation. Instead of Ab Klink, another person will come. He will take over Ab's ticket

and arrive at the same time thursday morning at the airport.

His particulars are: prof.dr. Alis Koekoek, professor of constitutional law at Tilburg University. Alis is a former member of

Parliament.
