Dear Comrade Nzo,

On behalf of the Australian ANC Support Committee, I am writing to inform you that a letter received by the ANC United Nations Mission in New York, purporting to be a letter from the Australian ANC Support Committee is in fact a forgery. A copy of the letter and attachments is enclosed.

We believe this despicable action to be the work of the South African Government and is yet another attempt to undermine the democratic processes of the ANC.

The work of the Australian ANC Support Committee is directed by the ANC Chief Representative in Australia, Mr Eddie Funde and the Committee fully supports all of the principles and actions of the ANC.

Further, we wish to assure you that our Committee would never seek to interfere in the proper democratic electoral process of the ANC.

We are greatly disturbed by this forged letter and will re-double our efforts in support of the ANC for a free, just, democratic and non-racial South Africa.

Yours in Solidarity,

Helen McCue
Secretary
Australian ANC Support Committee
