Don:

As promised , here is the draft of the letter you have volunteered to carry on behalf of CELEPDSA to the ANC in Lusaka.

Please look it over, and of course, make any amendments as you see fit.

with this letter you will want to bring extra copies of the four sample CELEPDSA exchange proposals to date.

It was also our understanding that Peter would provide an official ANC- Canada letter endorsing the CELEPDSA initiative and requesting, as well, that ANCe Lusaka respond to our requests as contained in the letter.
