The Chief Administrator,
Cde.T.Maseko,
Mazimbu.

Dear Comrade,

Due to an out-break of FMD (Foot and Mouth Disease) at the Farm, we kindly request your office to restrict all visits to the Farm until further notice. We are presently doing all we can to limit the damage and the spread of the disease. For several months FMD, has been spreading in the Morogoro region, the main reason for our concern and annoyance at the uncontrolled transportation of live animals into the Mazimbu Farm.

The source of the out-break at the Farm, is unknown to us and we do not wish to spend a lot of time speculating, as the vectors are many. What we are interested in is to stop or minimize the spread within the different Animal sections.

We hope for your co-operation.
