Dear Comrade ^Tor Snellstrom,

Due to the fact that we are unable to find a solution to the Zimbabwe problem regarding the usage of SIDA funds there, we request that SIDA re-allocate the sum of 40⁸/,000 Swedish Crowns to our ^Headquarters at Lusaka.

This sum of money can be used to cover the amount that we lost in devaluation.

We shall ~~endeavour~~ to find money to use for our people in Zimbabwe for their day to day use.

Dear Comrade Snellstrom,

Radda Barner has made funds available to the African National Congress of South Africa for our Child Care Centre at Morogoro. We have already started building this centre, the foundations having been laid on January 8th.

We request the SIDA request that Radda Barner releases the funds for this project
