Dear Cde; Sindiso,

Since January 1987, this office has not been receiving Sechaba. In March, after I had phoned your office to report this matter, I received a letter explaining the reason why (copy enclosed).

I did not raise the matter again, until a few weeks ago while in discussions the Cde. Tony who informed me that he has been receiving Sechaba regularly. As you can imagine, this information came as a surprise to me. Could I also point out to you that we had a similar situation in 1985. After twice phoning your office and sending a note, we eventually started receiving our quota again.

Cde. Sindiso, I regard this matter very seriously and would so kindly appeal to you to investigate.

Amandla !
