Dear Comrade Makgothi,

Find enclosed Comrade Archie Crail's application form to SOMAFCO.
Comrade Archie is an active member of the "Canadians Concerned about Southern Africa", a solidarity group which is doing some good work for our movement in Regina, Saskatchewan. I think Comrade Archie would be a fine candidate for a teaching position at SOMAFCO. In the event you need more information please contact me, or Yusuf Saloojee.

Best regards,

Amandla!

Yours in the struggle,

Jabu Dube.
Deputy Representative.
