Dear Mrs. Tambo,

Messrs. J. & J. Paton tell us that you are seeking a good Boarding School for your daughter, and that they have recommended us. We, therefore, have pleasure in sending you a copy of our Prospectus and Staff List. There is a possibility of our having a vacancy for her in September.

'7e take girls from ten to eighteen years, and there is an exceptionally large and highly qualified staff. Our fee is an inclusive one, in that all books and stationery are provided, except for the Sixth Form, who buy their own books and, of course keep them for further study. A considerable amount of laundry i also included in the fee.

All girls wear uniform and attend School Assemblies and Church Services, but there is no indoctrination.

There are riding stables in the school grounds, and in the Summer Term the girls enjoy swimming.

If you are interested, perhaps you wo lid care to telephone the school and make an appointment to visit us.
