Proposal on the joint conference between ABYS and ANCYL

At a meeting held in Johannesburg between the Afrikaner Bond Youth Section and the ANC Youth League it was resolved that there is shared commitment of building a new non-racial, non-sexist prosperous South Africa. That such commitment could be realised by co-operation on socio-economic programmes aimed at uplifting the well being of our society.

Part of the building blocks towards that commitment is the need for a conference between members of the ABYS and the ANCYL, whose objectives will be to promote dialogue and understanding amongst us. Identify key strategic areas of common interest in the socio-economic development arena. Building a new culture/ will to succeed and strive for excellence.

Under the theme:

“Yesterday is a foreign country and the future belongs to us”

The conference will take place on the 16th June 2000, at Centurion Civic Centre. We expect no more than 120 delegates. A joint steering committee has been setup to attend to logistics.

The keynote address will be made by the ANC President, Thabo Mbeki and closing by Mr. T. De Beer who is the chairperson of the Afrikaner Bond. Other distinguished guests who have been invited are former President N. Mandela, Governor of the Reserve Bank T. Mboweni, Sanlam Chairperson and others.

Presidents of SRC's (Universities and Technicon),
National Youth Commission (NYC),
South African Youth Council (SAYC),
