Dear Friend

I am writing on behalf of the Anti-Apartheid Movement to extend an invitation to you to participate in the "International Seminar on the Role of Transnational Corporations in South Africa" being organised by the Anti-Apartheid Movement in co-operation with the UN Special Committee Against Apartheid in London from 2nd - 4th November, 1979.

Background information on the Seminar is provided in the attached press release issued by the United Nations Department of Public Information.

We believe that the International Seminar will be an important contribution to the international mobilization against apartheid by bringing representatives of inter-governmental, governmental and non-governmental organisations and anti-apartheid movements together with experts, individuals and organisations especially concerned with the role of TNCs in South Africa.

A number of experts have already been commissioned to prepare specialist contributions for the Agenda Items and related subjects.

We hope very much that you will be able to participate in the International Seminar and therefore contribute to its success. We will be writing to you with further information should you respond positively to the invitation.

With best wishes,

Abdul Minty
Honorary Secretary
