—

.My President has been following your confinement in a

hospital with a deep personal interest and he and
Mrs Babangida have instructed me to send you these flowers
as an expression of their feelings for you at this trying
time, and of their best wishes for the early restoration of
your health.

progress which you have made so far and they want you to
know that you will never be far from their thoughts.

They have been heartened to learn of the
