Dear Comrade Bangort,

Hap. you had a good holiday and returned with even more vigor.

As promised the following are the points which concern me immediately and thoriforo warrant detailed discussions so that some solution could be reached:

- a. The question of my office 1.9. the financing or up-keop;
- b. Discussion on wider cooperation between us - especially FES-support for our projects in Southern Africa;
- c. Discussion on methods of widening my office's capabilities regarding information both on the ANC and on the wider issue of Apartheid 1.9. information for tho (onoral public and orgagisations (production of pamphlets, leaflets, posters etc. .

These points, although general, will, I am sure, not as an incentive for a much broader and detailed discussion.

Hope to see you soon.

With best wishes,

Tony Soodat

Chief Representative

ARC (SA)

P.S. It is a pity you were not in town when our international secretary comrade Jole was for a short visit in Bonn, as I am sure it would have been a good occasion for discussions.
