Hippocratic Oath (Abridged)

I swear that, according to my ability and judgement,
I will keep this oath and this stipulation –

I do solemnly declare that I will keep silent
about those things which I have seen or heard
whilst dealing with the sick
and that in my relations with patients and colleagues
I will conduct myself according to the ethics of the medical profession.
I will not knowingly or intentionally
do anything to any person which may harm them
for any consideration whatsoever
and I will exercise my profession
to the best of my knowledge and ability,
for the good of all persons whose health may be entrusted to me.

Nurse's Pledge

I PLEDGE MYSELF to the service of the community in which I find myself,

Using all my skills and knowledge.

I WILL REACH OUT to those who need health care,
Treating them as equal partners in the endeavours for health and well-being.

I WILL NOT ALLOW race, religion, ethnicity, social status, political allegiance
Or any other factor to come between me and those who need me
Or to influence the high standard of care I give to all.

I WILL TAKE responsibility for my own practice,
Updating my knowledge and skill regularly and appropriately,
Evaluating my own work systematically
And making appropriate adjustments.

I WILL NOT ALLOW my commitment to comprehensive health care
To be compromised by service boundaries,
Lack of resources or any other limiting factor.

I GIVE THIS PLEDGE freely
And upon my honour.

GAUDEAMUS IGITUR

Gaudeamus igitur, juvenes dum sumus;
Gaudeamus igitur, juvenes dum sumus;
Post jucundam juventutem,
post molestam senectutem,
Nos habebit humus, nos habebit humus.

Ubi sunt qui ante nos in mundo fuere?
Ubi sunt qui ante nos in mundo fuere?
Vadite ad superos, transite ad inferos,
Ubi jam fuere, ubi jam fuere.

Vita nostra brevis est, brevi finietur;
Vita nostra brevis est, brevi finietur;
Venit mors velociter, rapit nos atrociter,
Nemini parcetur, nemini parcetur.
