The World â\200\224
A Third World
Guide 1995/6

A major reference work

for outward-looking homes
and organisations. An
investment in global
knowledge from a distinctive
viewpoint.

Â£24.95/Can \$ 45.95/
US \$39.95 3

resh from Uruguay comes this new,
F substantially updated edition of The
World â\200\224 A Third World Guide 1995/6.
With a perspective which will rattle a few
ideological cages, The World is different
from any other guide to the worldâ\200\231s
countries. This global survey comes not from
the conventional Western viewpoint of so
many reference books but from researchers
and journalists in developing countries. Co-
ordinated by the Third World Institute in
Uruguay, The Guide is an invaluable key to
understanding world issues from a Southern
perspective.

What The World gives you:

B Up to date information on 217 nations
with supporting diagrams, graphs and
maps.

B Unique details on the new Central Asian,
Eastern and Central European countries.

B Profile of each country and its people
from political, ethnic and religious

Development themes explored:

Population ; free trade; monocultures vs.
biodiversity; the debt trap; urbanisation,
human rights, employment, childhood and

. s â\202 education. Also includes analysis of the

Uruguay Round of GATT; the World Summit
on Social Development and the UN
conferences on women, environment and
habitat.

More than 600 pages of global information

with over 200 maps, 500 diagrams, 10,000 references and a generous easy-to-use index. Published biennially since 1979.

'This attractively-designed, authoritative work is a powerful reference book on the most

compelling issue of our time the scandalous gap between rich and poor, North and South.

Stephen Allen, Oxfam-Cgnada.

viewpoints.

History: the evolution of the nation.
Large fold-out colour global map,
(167 x 10 1/273.
