Dear Comrade,

Please receive,with apologies,this belated acknowledgement of two cables we have received - in connection with the next Liberation Committee meeting in Somalia and the World Congress of Peace Forces in Moscow.

In so far as the ffrst one is concerned,all I can say is that I shall attend without fail and have already made it known to the local authorities so that they issue me with an air ticket towards this end.At the time of writing I am confident that they will respond favourably to this request.

We are happy with the decision to include both Thamie and Norah in the Moscow delegation.Beyond making this decision to thd diplomats of the country In question,we are doing nothing in the form of securing means of travel.I must, state that even the idea of conveying this information to them cropped up in the course of our normal working relations.We assume you. will be handling the rest and the next we hear from you,we will be told of such arrangements having been finalised.They on the other hand are certain that they will in due course be receiving instructions to issue tickets.

I should perhaps seize this opportunity to report on a matter concerning Comrade NoraheShe is presently renresenting us

Association as veil as the P in Afric: n Youth Movement .In extending this invitation to us here,the organisers made it known that they

could only afford to transport a delegate travelling from Alger.

This was for purely material reasons. We then decided to appoint
