E â\200\234Committee of 30",
representing Africans in
Soweto and its sister town-
ships, meets the Deputy
Minister of Bantu Affairs,
Mîr\201e Willem Criiywagen in
Pretoria tomorrow to dis-
cuss the. controversial
homelands citizenship is-
sue.

The â\200\234mayorâ\200\235 of Soweto,
Mr T. J. Makhaya, con-
firmed this yesterday.

Although he declined to
give details | of _con
mitteeâ\200\231s viewpoint, it is
understood two points will
be insisted on:

% â\200\230That Ã@u'ban Africans
should not be made citi-
zens of the homelands, ex-
cept by a voluntary deci-
sion on their part.

Ã@ That Africans born to

JDeople living in the urhan
of the com-.

areas should not he regis-
tered as homeland citizens.

Mr Makhaya said the
committee had askeq the

chief director of the West

Rand Administration Beard,
Mr J. C. de Villiers, to
arrange a meeting with the
Minister of Justice, Mr
Jimmy Kruger.

The request followeq thÃ@ :
announcement last week -

that schools in Soweto and
on the Reef would not re-
open today as - originally
planned, ;

Mr Lennox Mlonfl, lead-

er of the Soweto, Progress-
ive Party and a member
of the Committee of 30,
said yesterday: â\200\230I under-
stand that Mr Kruger has

agreed in principle to
meet us and it is merely
a matter of fixing a time.â\200\235

Mr Mlonzi said the meet-

ing would try to get
schools reopened as soon
as possible â\200\230and press for
the release of scholars
still detained following the
unrest, :

â\200\234The continued closure
of the schcols definitely
does not defuse the situa-
tion,â\200\235 Mr Mlonzi said.

â\200\234It suspends the situa-
tion without solving it and
it makes the people re-
member the unrest instead
of paving the w
return to normality.â\200\235

Another reason for want-

ing schools reopened was:

to see how many scholars
said.
ars have been released, but

We have no means of know-
ing until schools are re-

opened and headmasters

would â\200\234atterd, MeoMiomsE el S Âç
