DEPARTMENT OF EDUCATION AND CULTURE

18th March, 1980.

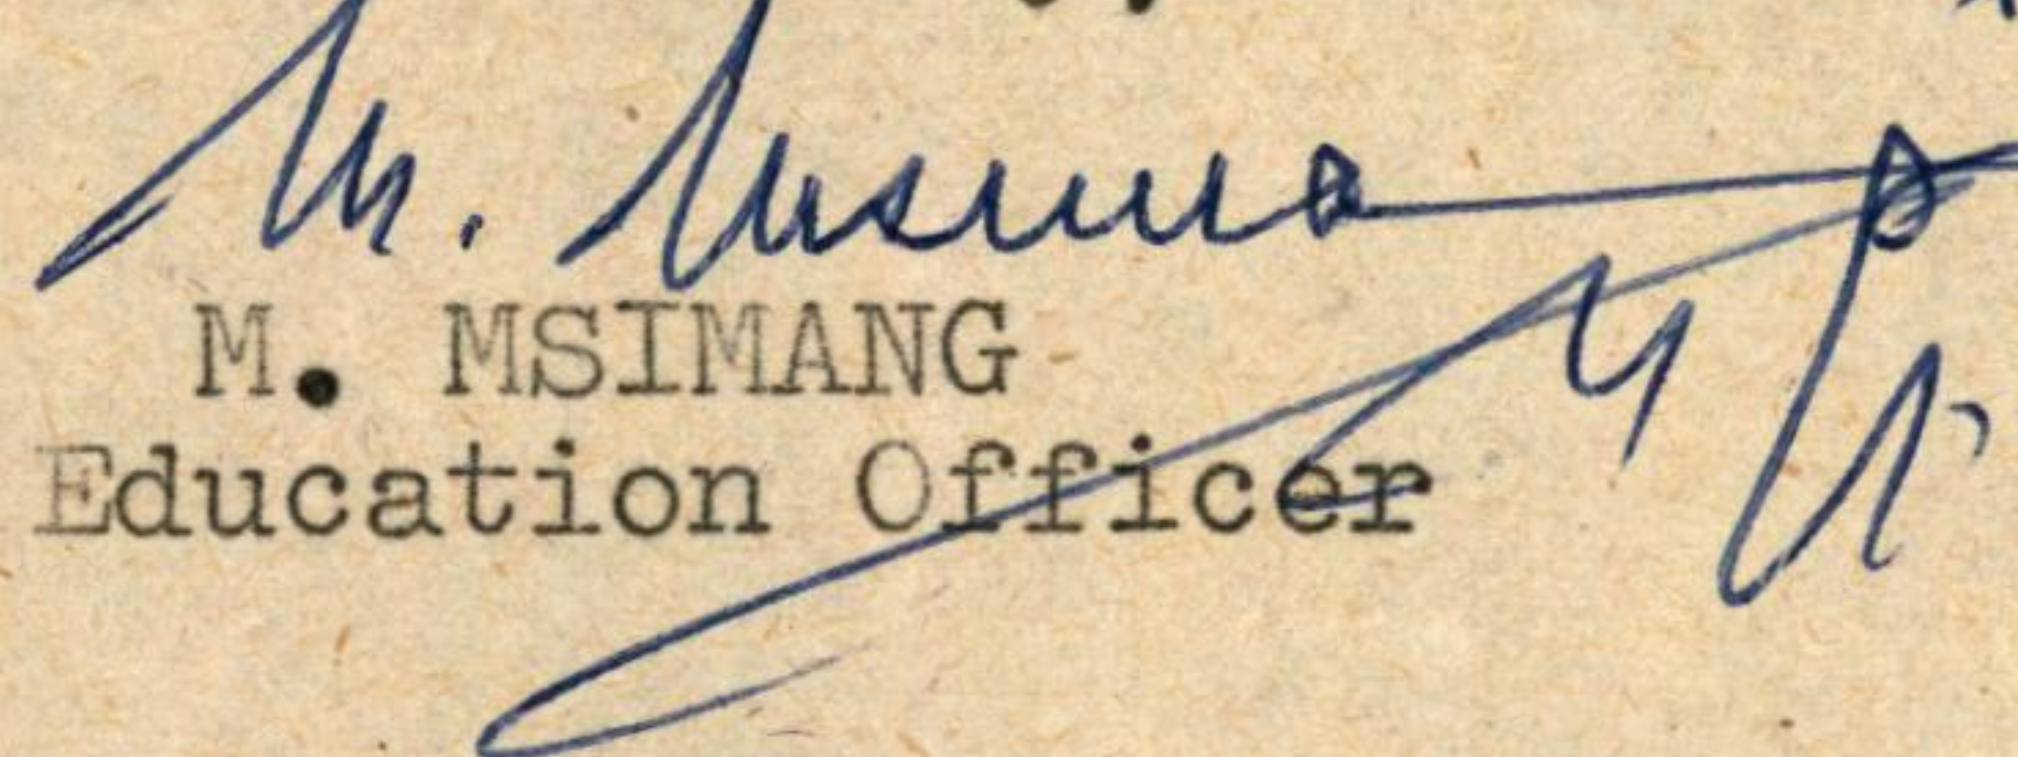

Dear Mr. Maseko,

We have pleasure to advise that Susan and Philip Phungula have now been considered for assistance by UNESCO. The Study Grants are to cover the period April 1978 to 30th June 1980. Some payment has already been made to the school in reduction of the outstanding amount of Shs.37,045.00.

You will please note that this assistance is renewable only upon the successful performance of the children in their year-end examinations, including good behaviour. You will therefore let us have their Progress Reports as soon as you receive them in order to enable us to study them and decide on future action timeously. This means that any delay on your part in submitting the reports will only be to the detriment of the future of the children.

In the meanwhile, we should be pleased if you would kindly call in to see the Writer hereof for some discussions.

Yours faithfully,

M. MSIMANG
Education Officer

Mr. McDonald Maseko,
