Dear Cde Tshepo,

Your letter, dated 8th August 1989, informing of the establishment of an International Desk at Somafo was greatly welcomed.

We have already started spreading the word and will continue to do so in the course of our on-going work. Our students studying here have also been informed and their assistance enlisted in getting across the message.

A key person here in creating awareness of Somafo and raising material assistance for the College is Helena Kekkonen. She has extensive contact with schools and student bodies throughout Finland. I have informed her of your aims but would request that the International Desk write to her and keep her abreast of developments at Somafo. She will ensure that the information gets spread far and wide. Her address:

Helena Kekkonen
Peace Education Institute
Mannerheimintie 40 A 42
00100 Helsinki
Finland

To ensure that the Office is kept informed of all developments, please copy me with all correspondence you conduct with Helena and other organisations here.

Forward to Mass Action for People's Power!
