It was great to see you at that
most impressive G.L.C. ceremony.

You will be very busy, but Marion
and I wondered whether you and the family would
be able to dine at Orme Square on Friday or
Saturday or lunch on Sunday?

My Company is now registered as a
Consultant to the E.E.C. I am trying to put
together a scheme for the E.E.C. to set up a special
fund for academic bursaries for young black South
Africans, I would very much like to get your
reaction.

If you cannot make a meal, is there any
chance of seeing you briefly before you leave?
