Dear Jim Bailey,

Mr. Sisulu has asked me to acknowledge and thank you for the complimentary copy of "Nelson Mandela and the Rise of the ANC".

He is delighted to have it and looks forward to finding the time to really study it. He says he will certainly recommend to our Business Enterprise Department that they should buy the books for re-sale in our shop.

He sends you greetings and good wishes.

Yours sincerely

Rica Hodgson  
Secretary to the  
Deputy President.
