As you are aware the Consultative Business Movement is an association of more than 100 ,5
of South Africa's top companies who have come together to assist the process of '
transition and economic and social reconstruction. In the Natal Region regular membership
briefing bre akfasts are arranged which are attended by senior execmives from the busines
S
community.
The question on everyone's mind at the moment is the forthcoming election and the likely
effect it will have on economic growth and stability.
. In the light of this I would like to invite you to address our next breakfast meeting o
' Challenges facing the province after the elections.
Your input on the direction which the ANC would like the economy to follow will be of
immense value to this meeting.
We would like you to speak for 30 minutes after which questions will be asked from
members. The meeting will end at 9h00. Should you require accommodation we will
gladly arrange this for you at the Durban Club.
We will be making telephonic contact with YOU shortly.
