Dear Sir

re: PRISCILLA LISHOMWA

Further to our letter of the 29th November, 1991 we wish to let you know that Mrs Makukula Matsweni was unable to travel to South Africa as arranged earlier due to unforeseen circumstances.

We very much require your assistance to make all necessary arrangements for the safe travel of Katazile Jane Phiri who was abducted by Christopher Phiri. In this regard it is pertinent that you communicate with Mr C. Chikombo of Woodlands Police Station who will avail you all the details of this matter.

May I bring it to your attention that Christopher Phiri was apprehended by International Police (Inter-Pol) in South Africa for questioning. It is for this reason that there shall be no problem in locating him and the child in South Africa.

We will be grateful if your office liased with Inter-Pol to facilitate travel arrangements and if this matter was treated with urgency.

Yours faithfully  
RMA CHONGWE AND COMPANY
