3. General
4. Financing of the total project

- Minutes were adopted.
- Tenders were discussed compared and finally M/S ME. Kimambo was accepted as advised by consultant to be contractor for the wall (i.e New Office Building) In case it raises any difficulty regarding Kimambo registration. The committee and consultant will share the responsibility. The committee must write a letter to Sumar to prepare contract and letter of commitment to start on the 19. 12. 88 construction of the wall. Please send the copy to the co-ordinator for filing.
- It was agreed that Bizzah should start working in Dar as from today. Submit a letter to Varma for discussion, the question of allowance to be discussed with O. Dennis.
Sumar to accept Bizzah attending their office
- A. Mekki was asked by the Norwegian Embassy about funds from other sources. Rough estimation of the building cost is 600m² 80000 per sq. m will give 48000000 TSH corresponding to 400,000 US dollars. This amount does not include furniture and equipment. The Norwegian Government has allocated 1,000,000 NOK. in 1989 budget. The remaining 260,000 US dollars are to be provided by other donors in order to complete the project. The committee will work in that and inform (Kaya to raise this question with SIDA).

The Norwegian Government will like to know when will the total financing of New Building be settled, as they will not pay anything for the building. UNTIL THE TOTAL FINANCING IS READY.

Cde. Mekki will be travelling on the 22nd Dec. to Norway and he will be back on 12. 1. 89. Next meeting was scheduled for the 17. 1. 89.
