GENERAL SECRETARIAT

Geneva 2nd July 1980
KR/Gr

TO THE PARTICIPANTS OF THE WCC WORLD CONSULTATION
ON "CHURCHES RESPONDING TO RACISM IN THE 1980s"

Dear Friends,

Enclosed you will find the final statement of the WCC consultation held last month entitled "Churches Responding to Racism in the 1980s", as it was adopted by the closing plenary session; together with a list of names and addresses of all those who took part in the meeting.

We are very grateful to you for attending the meeting in your various capacities and contributing to its outcome. You will all have your different impressions of the week, which we hope that you are sharing with friends and colleagues at home.

The final versions of the working-group reports and their recommendations are still in the process of being edited to include the agreed amendments. When completed, they will together form the basis of the report which goes to the WCC Central Committee which meets next month. We shall ensure that you receive a copy of this once it is prepared.

Thanking you again for your participation in this event,

Yours sincerely,

Konrad Raiser
Deputy General Secretary

Encl.
