Dear Mr. Chandra,

On behalf of the Special Committee, I commend the initiative of the NGO Sub-Committee in organizing meetings on 8-9 November 1979 to plan an NGO Conference on Sanctions against South Africa and an International Seminar on Women and Apartheid, and to discuss means for the most effective participation of all non-governmental organizations in the international mobilization against apartheid.

The Special Committee looks forward to participation in the meetings and I hope all organizations concerned will try to attend.

With best wishes,

Yours sincerely
