Dear Comrades,

We would like to greet you and to formally thank you for your donation of 360 to our organisation. At this stage in our struggle, when our people are confronting the waath of the facist state, it is of enormous support to them to know that people such as yourselves all over the world are with them in their struggle.

At the same time, the peoples organisation, the African National Congress, which is directing and leading the people of South Africa to overthrow the white, minority, racist government and replace it with a peoples governemnt in a free and democratic South Africa, is always short of funds. So, in the practical sense, your donation was very much welcomed.

Thank you once again for your support,

Yours in the struggle,

Mhlope Chiliza
