RE: ADDITIONAL MEMBERS OF STAFF AT HARARE ANC OFFICE

Your note of 15th November, 1990 on the above refers.

It is the understanding of this office that your office has a "quota" of nine persons. It would be appreciated if you make it clear whether Cde Mtshotshisa is going to leave the country for his new assignment or will remain in the office with a different assignment from Admin Sec.

Please make this very clear to this Ministry before we regularise anything concerning Cdes Duma Thembe and Elizabeth Mlati.
