Dear Mr Burstmayr

Thank you for your letter dated September 23 1992, but which reached my desk only on September 26th 1992, as our fax number 't has changed. May I say that it was a great pleasure on my side as well to meet you in March.

I really must apologise sincerely for not providing you with documentation consistent with the Agreement we signed. We are re-writing the report and are having to revise the lists within each field of expenditure. During July I was in Tanzania winding up ANC Projects there and my assistant prepared and despatched the report dated 14/7/92. Since my return I have begun to re-examine all allocations according to donors and am having to revise the lists to a certain extent. In the case of KFS we have re-examined carefully the terms of our Agreement and are in the process of making lists in accordance with the relevant requirements.

Please, Mr. Burstmayer, bear with us and give us an extra week to submit the required lists. We are trying our best to complete the lists by tomorrow, September 30th, and will fax it to you if it is completed. Otherwise, please give us until September 7th.

With regards,

Yours sincerely
