15th August, 1989

Mrs. Adelaide Tambo,

51 Alexandra Park Road,

London N.10.

My dear Adelaide,

The enclosed card comes from a very good friend who lives in Devon but who was born and brought up in South Africa and has all the right ideas. It came quite spontaneously and I have acknowledged it on your behalf, but it may cheer Oliver up to know that he has so many friends that he doesn't know himself.

Love,

cr\ (HZ
