Dear Sylvia Airoidi-Pirovano,

In reply to your letter dated 9/4/87 we are happy to note that the CSS-Section Tessin is prepared to give the ANC medical and related assistance. For this particular project the Bonn office of the ANC has been given the task to act as coordinator. Nevertheless we are sure that our Representative in Rome, Mr. Benni Nato, will be able to clarify and complement our joint efforts. His address is: ANC, Via S. Prisca 15a, 00153 Rome, Tel. 5758926.

With Kind Regards

T. Seedat

Dear Benni

The above refers to a request we made to the Swiss CSS for 4000 mosquito nets. The Swiss & German section of the CSS asked the different national i.e. French, Italian etc. national to help or contribute. They are also prepared to assist in the supply of medicines. My suggestion is that they should at the moment concentrate on the tents request - they are destined for the west. Please get in touch if necessary. See you in Lunenburg.

Regards
T. Seedat
