Dear comrade Mandy,

I am writing to you to raise the following. 'ccor-
ding to the U.N.E.S.C.O. representative here in Maputo, the
four remaining A.H. . students at the University of Eduardo
Mondlane have received fellowships which cover them only until
August. This came as a result of the withdrawal of a number
of our students here of which you were duely informed. UNESCO
Headquarters in Paris was; no longer sure of the position of
this remaining group hence this decision.

For extension of these fellowships, the U.N.E.S.C.O.
Headquarters in Paris want confirmation from the Education Co-
mmittee there in Dar es Salaam of their continued study at the
University of Eduardo Mondlane. Could you then urgently attend
to this matter as it is already late.

Find herein enclosed progress reports of A.N.C;423u-
dents at the International School. U.N.E.S.C.O. here has fina-
Q/H'taI/norlgw A

lly agreed to pay for the Mabizela children.

I also wish to acknowledge with thanks the receipt
of application forms for Mr. Hannibal.

Hoping to hear from you soon.

Yours in the struggle,
