RECOMMENDATION.

i.gg : -.._---

I wish to make a few remarks in support of Comrade

Peter Sibande to get married to Lindiwe Tshabalala. .

I have had an opportunity of being with Peter for a very long time under different circumstances. He has impressed me as an unwavering comrade who is firm in his decision. I have no doubt that his wish to marry Lindiwe is a well considered decision. _ _

I also had an opportunity to meet in Naputo to be acquainted with Lindiwe who has gradually impressed me as a serious-minded woman who could match very well with Peter. They are both 'well. experienced and firm members of our organisation. They are equally in close contact with their parents. .

I fully support and encourage that these two should be permitted to get married soon. .,:

Hoping that this recommendation will be favourably _._Q;
