Dear Mr. Bakkevig,

**RE: ELECTION TRAINING NEEDS**

I refer to the meeting held between your good self and Cde. James Stuart of the ANC Elections Commission.

You will recall that Cde. Stuart promised to send you the budget proposal which we now enclose for your consideration.

Also, allow us to take this opportunity to express to you our gratefulness for the continuous support you have given us through these years. We would not have been able to reach this stage in our struggle without your assistance.

Respectfully,

Thandi Lujabe-Rankoe  
Chief Representative  
ANC Mission in Norway.
