ATTACHMENT AT MOROGORO GOVERNMENT HOSPITAL FOR ORIENTATION COURSE

I am glad to inform you that the Ministry has accepted Dr. Adelaide Koloi to be attached at Morogoro Regional hospital for Orientation course of six months.

As we did not budget for this orientation at this hospital it will be difficult to finance her during her stay at Morogoro.

Therefore it will be of great assistance if your organisation will support her financially to enable her to pursue that orientation to the required standard.

By the copy of this letter the Regional Development Director is requested to accept her at Morogoro government hospital for six months with effect from the date she will report for duty.
