Dear Comrade Trevor,

You will recall that the Research Department commissioned work ,eon\_government structures towards.the end of 1992. This endeavour resulted in the following written reports being produced:

- Institutional Structures, Policy Processes and Personnel for All Government Activities Related to Economic Affairs

- Commission for Administration
- Macro-overview of Government Structures

Department of Foreign Affairs Office of the State President

- Reserve Bank
- Department of Finance and the Department of State  $\ensuremath{\mathtt{Expenditure}}$
- Constitutional Development Services

Copies of all these documents are available in the ANC Research Library on the 8th Floor at Shell House.  $^{\prime}$ 

Accompanying this memo is a recent document we received from Job. Most of the questions the paper raises have been covered in the studiesnon Government structures mentioned above..
