Thank

you for your fax, and the banking information I received

. by phone earlier. I'm afraid the fax didn't get through the first
time,

so I only received the copy today.

We have arranged for 10,000 UK pounds to be transferred to your
account next week: I am told the money should be in your account
by Friday, 8 May.

We hope this grant will be Useful as outlined in your proposal
for

a trained counsellor working with returned exile

'schoolchildren. As Mohammed is aware, we are not usually in this
happy

position as we are not actually a funding agency! We would
appreciate it if you could give a brief report on the use of the
money, which we could refer to when we make our own report to the
donor.

With best wishes for your work,

Yours

sincerely
