Dear Comrad Neo,

Makgang Mmereki Phologane - Application to Visit Parents in Botswana

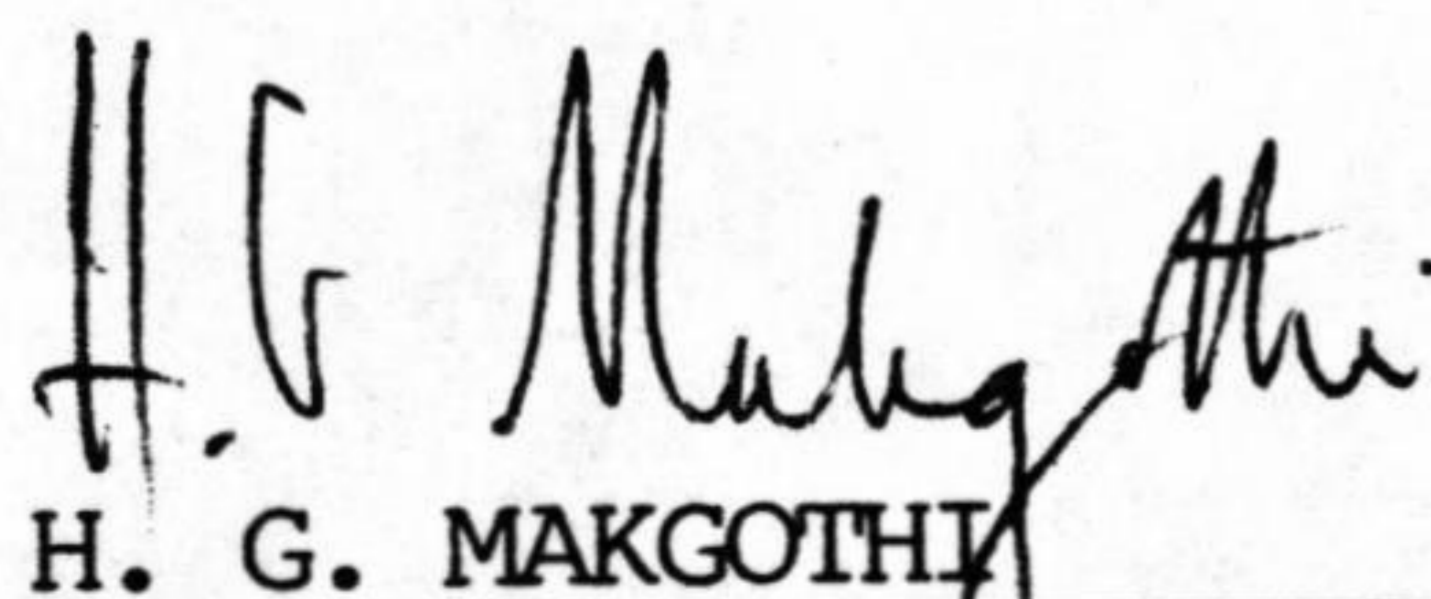

Since I write to you for the first time in connection with an application of this sort, allow me to explain for future reference:

Applications to visit Forward Areas (and Botswana is regarded as such) fall under directive of the NEC (1986?) which prohibits such visits undertaken for private ends. Operational and security circumstances led the NEC to take such decision and I trust it is unnecessary to elaborate. I can only add that deviations from the rule will be ~~permitted~~ ^{permitted} only in exceptional circumstances and a mere desire to see a parent or relation would not ordinarily suffice.

Where permission to visit a forward area for private purposes is given, travel expenses etc. is to be borne by applicant, making his own arrangement. The principle here is that the ANC does not as a rule pay for missions undertaken for personal satisfaction.

In the application under consideration, it should be allowed taking everything into consideration and I attach letter of endorsement by the Secretary of the PMC.

In the Year of Mass Action for People's Power!

H. G. MAKGO THI
ASS. SECRETARY GENERAL

Dear Comrade Makgothi,

Comrade Magang Mmereki Phologane's parents have indicated a strong desire to see him in Botswana in the month of March 1989. They will assume responsibility for his passage to and from Botswana as well as for his boarding and lodging during his ~~sejour~~ ⁿ. He wishes to be temporarily released from our Department, and ~~seeks~~ ^{seeks} permission to make the journey for the duration of the aforementioned sojourn.

We humbly request that Comrade Phologane be given the necessary assistance so that he can meet his parents.

Yours in the year of Mass Action for People's Power.

Neo Mnumzana
Acting Administrative Secretary

Dear Comrade Makgoti,

Re: Comrade Magang Phologane's request to travel to Botswana

We acknowledge receipt of your correspondence in connection with the above-mentioned subject.

The PMC has no objection to comrade Magang's request to travel to Botswana. However, it must be emphasized that the PMC structures in Botswana will not in any way be responsible for his presence there.

Yours in the Year of Mass Action for People's Power.

Maatla!

Dear Comrade H.Makgothi,

Re: Monthly Allowances & Supplies.

Your letter to me dated November 30th, for which I am most grateful, was delivered this evening. I have pleasure to inform you that the issue of my continued assistance with supplies and monthly allowance by DIA was amicably resolved thanks to the able assistance of comrade M.Gwentshe at H/Q offices on October 26 with DIA undertaking, through comrade Raymond Mokoena, to continue with assistance as before. This they have done. I have to state, though, the issue I was raising in my letter d/d October 19 was that of a policy to be uniformly applied to all and not how, as an individual, I am to be treated.

Needless to say, I was revolted by the uncivil manner in which comrade Raymond Mokoena behaved towards me.

May I take this opportunity to wish you a happy and prosperous New Year.

Comradely yours,

Nelson Miya
