A WELCOME MESSAGE

Cde President, your children here in Chelston Transit Centre feel Very estounded to be visited by their father. We often heard of your name as a father to us when we were todmlers. Apartheid made ii-long for us to feel your leaaership inside the country, to recorgnise you today as a parent and a leader. Today we join our brothers and sisters in this region to welcome you back in your post.

Cde Presiuent, as you are slowly making your come back to lead the people for final Victory, we assure you that you will be not alone, we the young lions, born out of crucibisii battles, shall be the flowers of this revolution and we shall be the bedrock of the struggle as you have instructed us sometimes back.

As you see us in maltitudes in front of you here, we are taking it upon our shoulders, we are here to prepare ourselves

Children feel more needed than ever before. Especially after ,we learned about your sudden illness.

We wish you a save journey as you are going inside the country. Tell the people at home that we are with them. The conferehoe you are going to participate in, we are definitely sure that it will map out deoissions and ideas that will make our freedom to be achieved now rat er than any other time.

We finally wish you a complete recovery and many more years to leave until we are going to Celebrate our victory and such occassions together in a non-raoial democratic South Africa.

Long LIVE OUR thĩ-\201 PRESIDENT 3!!
WE LOVE YOU
