1Li For trhe meeting between.the ANC and the US Foundatiohygverything is organised.

2. For the Cultural meeting requested by Lusaka for the 23rd - 25th February
in Harare, CCFT booked the venue (Oasis) and the accommodation (Monomatapa)-
As Barbara is in town to attend the meeting with the US Foundations we should
be able to discuss the organisational details with her.

3 The pneparatiohs fbr the ANCM QBM meeting are on line..-Lydia pointed out
" that thewSheraton requests the full amount for accommodation to be prepaid in
foreign currency. That means that we need a definite confirmation from both
sides that the meeting takes place as planned.

4 ZISA has accepted the request to facilitate the travel and accomodation
for 13 participants from South Africa. SACTU should come back with the
details. In addition ZISA awaits concrete requests for the other two meetings
indicated by SACTU.

ZISA shall try to get funding for the SACTU badges.

5 In the placement programme we are still waiting for approval by Government.
It was agreed that the main reason for the programme is to give the applicants
the possibility to gain professional experience. On this background the fact
that the Ministry of Legal Affairs turned down one applicant for lack of
experience contradicts the aim of the programme.

It was agreed that ZISA should try to discuss the matter with Minister Mnangagwa. Hilda Bernstein is writing a book on South African exiles with full support from the ANC. The Chief Representative asked ZISA to assist her if possible. The Chief Representative invited ZISA to attend a language seminar to be held this month at Mandela Training Centre.

The problems related to the Local Government workshop should be discussed with the comrades from Lusaka.

As we did not fix a date for the next meeting I propose to meet on Friday the sun March at 9.00am at Cold Comfort.
