Dear Comrade,

RE: APPLICATION FOR ADMISSION 1990

In pursuance of our conversation of the 23rd February, 1990, I hereby submit to you the names of ANC candidates for the two-year National Diploma in Mass Communication. They are:

- Solly Rathebe
- Mamosa Benedicta Ramohanoe
- Bertha Letsatse
- Colin Mhlongo

The four candidates are currently full-time functionaries of our Department of Information and Publicity. They have twenty-five years of media experience among them. Concerning their academic qualification papers, we regret to inform you that due to the manner in which they left the country at the wake of the 1976 students uprisings, it was not possible for them to take their documents along. We have, however, satisfied ourselves that they can make the grade in the course in the same manner that our previous students have done.

Hoping that the application will meet your favourable consideration.

Sincerely yours,

Patrick Mafuna

Information Officer.
