Dear Friend ,

Following <sup>the suggestion of</sup> Comrade Wolfie Kodesh, from the ANC 's Office in Lusaka, we are writing directly to you in order to obtain further details about the vehicles you need and the process of the transfer of the funds.

We received, through Wolfie Kodesh, two quotations, one dated 7 of september, in the amount of 13900.00 and the other, same date, in the amount of 16850.00, both concerning a "Toyota Landcruiser L.D.V. with canopy"

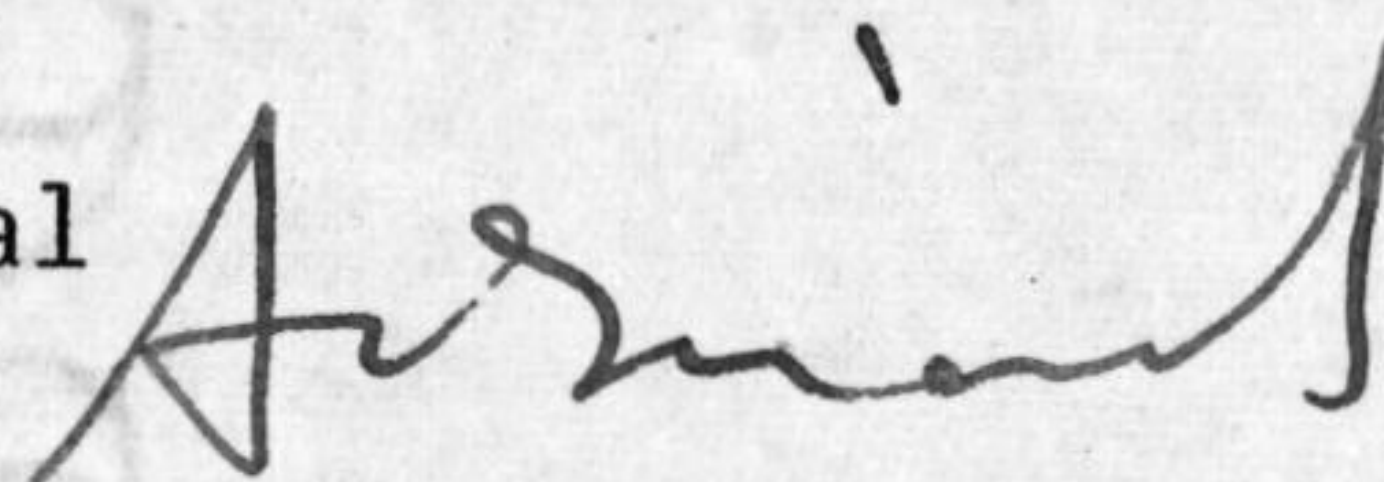

We understand that the first quotation was incorrect, but a problem remains: Does the amount of 16850.00, which is supposed to be correct, concern the "Toyota Landruiser", which, as quoted in this first letter, "is not a station wagon" or does it concern a Land Rover of another type ? If so, could you tell us the exact references ( registered name, type, etc.) of the vehicle you desire, and the corresponding quotation if there has been any change.

We also need, in order to transfer the funds, not only the Bank Account number, but the name and exact adress of the bank (comprising the town) and the name of the retailer.

Awaiting your reply, we remain,

Sincerely yours.

For  
Jean-Bernard Curial, Secretary General  
The Assistant, Anne Sirand

Dear Friend,

Following on the first letter sent to you recently with a quotation for one of the vehicles, I have now received the second quotation from our office in Maputo. So please find enclosed this second quotation.

Hopefully this will enable you to facilitate the purchase of the vehicles which purchase has been held in abeyance for so long because of the poor communications here in Africa.

As I had suggested in the previous letter, it would make matters easier if you were to communicate directly with our Chief Representative in Maputo and copy our HQ here in Lusaka with all this correspondence. We hope this will suit your purpose and enable this transaction and all the other arrangements with drivers from Maputo to Swaziland and back to be made much easier for all concerned.

To repeat what I had already suggested, your office should communicate over this matter directly with our Representative there whose address is:-

Chief Representative  
A.N.C.(S.A.)  
P.O.Box 4702  
Maputo  
Mozambique. Phone: 742881 (local)

Hoping that all this will now be expedited and assuring you of our highest esteem.

Your Sincerely,

*Wolfie Kodesh*

Dear Friend,

We regret the great delay in replying to your query regarding the availability of drivers to bring the two vehicles from Swaziland to Maputo.

This affects the purchasing of the two Landrovers which your organisation had so magnanimously <sup>agreed</sup> to donate to our health section in Mozambique.

Unfortunately communications had broken down with the head of that section. But fortunately the Chief Representative is visiting our HQ and has confirmed that drivers are available to bring the vehicles up to Maputo.

He also brought with him a copy of a quotation for one of the available vehicles. I am sure that the other can be procured as well.

Could you please therefore communicate directly with our office in Maputo to effect the purchasing and delivery of these vehicles. We would ofcourse appreciate a copy of any such correspondence. But we feel that this direct communication will be more convenient for all parties concerned.

The address of our office in Maputo is:-

Chief Representative,

Thanking you once more for this generous gift and regretting the long delay.  
Assuring you of our highest esteem.

Yours in the Struggle.
